HOW CAN SOLAR WORK FOR YOU?

BUSINESS FINANCIAL INCENTIVES

**Incentives subject to eligibility*

- USDA-REAP Grant: 25%
- Federal Income Tax Credit: 26%
- NM State Tax Credit: 10%
- MACRS Accelerated Depreciation (100% 1st year)

= reduced cost by up to 81%

CASE STUDY - BARTEE RANCH

- 6 solar systems = 116.28 kW DC (combined)
- Generating: 225,415 kWh/year
- Powering the ranch, well pumps & center pivot irrigation systems
- Offsetting 100% of the electrical usage with renewable energy

✓ 4.2 years to recover investment = 25 years of free power
